

## Project Summary

### Project title:

[Your Full Project Title Here - Should Match Application Forms]

**PD:** [Last Name, First Name]

**Institution:** [Your Institution Name]

**Co-PD:** [Last Name, First Name]

**Institution:** [Institution Name]

**Co-PI:** [Last Name, First Name]

**Institution:** [Institution Name]

### Program Area Priority (Program Code):

[A#### - Brief Program Name from RFA]

### Project Summary:

[Begin with 2-3 sentences describing the problem/need. Explain the agricultural challenge, its importance, and current limitations.]

[State your long-term goal in one clear sentence.]

[Present your specific objectives. Consider this format:] Specific objectives are to: 1) [first objective using an action verb]; 2) [second objective]; 3) [third objective]; 4) [fourth objective, if applicable].

[State your hypothesis or central rationale. What do you expect to discover or demonstrate?]

[Explain how this project aligns with the USDA AFRI program area. Explicitly mention the program code and priority area.]

[Describe expected outcomes and impacts. Who will benefit and how? What tangible products or knowledge will be delivered? How does this address stakeholder needs?]
